- Actively seek out methods, procedures, and resources to best achieve course objectives.
- Support and participate in accreditation initiatives.
- Perform miscellaneous job-related duties as assigned.

**Job Requirements:**

- PhD in nursing from a well-reputed university is required.
- Graduate of accredited universities which use the credit hour system, and at which English language is the medium of instruction.
- Have a minimum of 4-5 years teaching experience.
- Advanced use of technology in the education process (delivering classes via presentations, using e-learning systems, reports).
- Preference will be given to candidates with strong research output and some industry experience in the area.

**Skills Required:**

- Ability to communicate effectively, both orally and in writing.
- Ability to develop and deliver presentations.
- Ability to work effectively in a team with a multiple diverse community.
- Ability to create, compose, and edit written materials.
- Program planning and implementation skills.
- Knowledge of computerized student information systems.

**Note:**

- Only short-listed candidates will be contacted.
- Kindly mention the position & job reference in the subject field when applying.
- Please send your CV to the following e-mail address: [hr.faculty@ajman.ac.ae](mailto:hr.faculty@ajman.ac.ae)
