Job Description

Position purpose

A Level C academic is expected to make significant contributions to the teaching effort of a discipline, school, faculty or other organisational unit or an interdisciplinary area. An academic at this level is also expected to play a major role in scholarship, research and/or professional activities.

The key result areas of Research, Teaching and Engagement are the basis for the primary duties and responsibilities of the role. A workload will be agreed upon annually with the Head of School in the Performance Development Plan process. Other duties may be required from time to time as directed by the Head of School.
