Posting Detail Information

Position Summary

The [Department of Pharmacy and Pharmaceutical Sciences](#) at the University at Buffalo (UB) invites candidates to apply for a non-tenure track **Visiting Lecturer (12 month)** position. We are particularly looking for candidates who can operate effectively in a team environment and in a diverse community of students and faculty and share our vision of helping all constituents reach their full potential.

Essential Functions:

- Teaching and Development of Pharmacy & Pharmaceutical Sciences courses at the undergraduate and graduate level, especially courses related to pharmacokinetics and pharmacodynamics, pharmacometrics, protein engineering, pharmacogenomics, and other related topics.
- Demonstrate appropriate knowledge of pharmaceutical sciences, or related field.
- Use University and department learning systems (example, UB Learns) and adhere to good instructional practices (example, published syllabi and holding office hours), especially in a remote fashion.
- Evaluate students performance and provide effective feedback to guide student learning and success.
- Responsible for contributing to and maintaining an inclusive and collaborative environment.

Outstanding Benefits Package
