Job Description

JOB ADVERTISEMENT

Applications are invited for a full-time permanent appointment as Lecturer in Pharmacology and Therapeutics at the University of Galway. The discipline of Pharmacology and Therapeutics has developed a range of educational programmes at undergraduate level for Science, Pharmacy, Medicine, Nursing and other health-related areas, as well as delivering taught M.Sc. programmes in Neuropharmacology and Toxicology and providing postgraduate research training at M.Sc. and PhD levels. The successful candidate will be expected to contribute to these educational programmes whilst also conducting extramurally funded research that is complementary to that of the existing academic staff within the discipline of Pharmacology and Therapeutics. The successful candidate will be located in the Human Biology Building, which provides excellent research and

teaching facilities in a dynamic, collaborative research-intensive environment. The successful candidate will have a PhD in Pharmacology or a closely related discipline and an excellent track record in research (as evidenced by high quality publications and success in securing independent research funding). Experience of teaching Pharmacology or a closely related subject at third level, and a postgraduate teaching qualification, would be desirable.

For informal enquiries, please contact Prof. John Kelly, Email john.kelly@universityofgalway.ie and +353 (0)91 493268.
