sciences courses. We seek an outstanding teacher who can contribute to the didactic effort in the on-campus and online pathways in the professional pharmacy program (PharmD). The hired individual will be expected to teach multiple topics from the following subjects:

- Medicinal Chemistry
- Pharmacology
- Pathophysiology
- Principles of drug action

Duties and Responsibilities include:

- Teaching in the on-campus and online pathways in the professional pharmacy program
- Teaching in at least 3 of the above listed areas
- Develop electives in specific areas of interest.
- Proficiency teaching in a large class setting is expected.
- Participation in School and University service assignments
- Support student success through advising and coaching
- Direct undergraduate research

Minimum Requirements:

PhD in Pharmaceutical Sciences or a related discipline, or PharmD with MS and/or postgraduate training

Preferred:

Relevant teaching experience at the college or PharmD level and/or pedagogy training is viewed as an advantage. Preference will be given to applicants who have participated in the development of academic classes and/or curricula.

Alternately, the successful candidate may possess any equivalent combination of experience and
